

**The Kansas City Southern Railway Company, Kansas City Southern de México S.A. de C.V. and Norfolk Southern's
53' Rail Controlled Container Program**

Exclusively serving markets between Mexico, the Southeast and the Crescent Corridor

Network

Containers will be marked TMXU and be initially available for Intermodal movement between the following points on NS and KCSM.

- NS: Atlanta, Charlotte, Birmingham, Greencastle
- KCSM: Salinas Victoria (Monterrey), Interpuerto (San Luis Potosi), Puerta Mexico (Toluca)

Program Rules

This program will be managed by [REZ-1](#) and containers will be made available through the existing REZ-1 application. Full rules and policies can be found [here](#).

- Per Diem daily rate includes use of container and chassis and will be as follows:
 - Days 1-10: \$20/day
 - Days 11-30: \$50/day
 - Days 31+: \$100/day
- Per Diem at Origin will begin 12 hours from the time the reservation was created or when the unit is outgated empty, whichever comes first.
- Per Diem at Destination will commence at the time of notification and stops when the unit is returned to the ramp (empty or loaded) or when a street interchange has been performed.
- Misuse Charge will be assessed any time the container is returned to a rail terminal other than the one from which it was outgated. KCS charge is \$250; NS charge is \$350. NS ramps may also be subject to a same-metro misuse charge.
- Out of Route Charge will be assessed at a rate of \$350/container when a container is shipped or ingated to any non-participating railroad.
- Pickup Charge will be assessed on empty containers outgated from KCSM ramps. The charge is \$225 per occurrence.

Ramp to Ramp Pricing

The below pricing is effective January 1, 2015 through December 31, 2015. All TMXU shipments must move in interline service using through rates.

Customs Information

When shipping between the US and Mexico, shippers must comply with all relevant US and Mexican customs regulations, which require preparation prior to shipment as well as en route coordination with US and Mexican customs brokers. For more information on US and Mexican customs procedures please visit <http://www.ns-direct.com/mexico> or use the QR code below.

Door to Door Pricing – Provided by Thoroughbred Direct Intermodal Service (TDIS)

Rates are available through the www.Modal-X.com website or by emailing TDISpricing@ns-direct.com and include:

- Live load at origin and live unload at destination
- Dray service to or from a 200 mile radius around Ramps
- Rates expressed as inclusive of Fuel Surcharges
- Rates that are transactional and subject to change

TDIS will extend \$50,000 in Cargo Liability while on the KCS or NS rail lines for shipments to or from Mexico. Shipments between the United States and Mexico are governed by international laws and liability. You or your shipper may purchase additional cargo protection outside the rail lines for shipments within Mexico. Insurance must be purchased from a Mexican insurance company or broker as United States insurance coverage is not valid in Mexico.

Firm rates and customer pools are available through TDISpricing@ns-direct.com. Additional information can be obtained by contacting TDIS.
